TO ALL DOCTORS
RE: INTRODUCTION OF ONLINE SERVICES

Reference is made to the above.

The Kenya Medical Practitioners and Dentists Board (KMPDB) is committed to enhanced service delivery by launching an **Online Services Portal** - osp.medicalboard.co.ke

In this regard, we now have the following services online:

1. Application of Doctor's Retention Certificate
2. Renewal of Private Practice

We are continuously working to ensure that the more services are available.

In this portal, every doctor will have an account with a dashboard of available services offered. Payments are made via **Board's MPesa PayBill - 992836**, the **Account Number is an invoice number uniquely generated by the system**. Upon successful payment process and approval, the doctor gets an SMS and an email notifying them that their certificate/license is ready and they can login into their portal and download and print on their end.

The pre-signed certificates and licenses generated have a unique QR Code which can be used verify their authenticity. Once scanned, the QR Code reveals the licensure details of the doctor including a photo of the holder.

The above is at pilot stage and you are urged to ensure that you have updated your contact details and ID Number which shall be used during registration of your account.

Should you have changed your contact details, send them to osp@kenyamedicalboard.org in format below:

Name:	
Registration Number	
ID Number	
Email Address	
Phone Number	

We have a dedicated team to assist in ensuring improved service delivery at the Board.
