If there is a discrepancy between words and figures, the amount in words shall prevail.
- 2.20.3 The procuring entity may waive any minor informality or non-conformity or irregularity in a tender which does not constitute a material deviation provided such waiver does not prejudice or affect the relative ranking of any tenderer.

For purposes of these paragraphs, a substantially responsive tender is one which conforms to all the terms and conditions of the tender documents without material

deviations. The Procuring entity's determination of a tender's responsiveness is to be based on the contents of the tender itself without recourse to extrinsic evidence.

2.21 Conversion to Single Currency

2.21.1 Where other currencies are used, the procuring entity will convert those currencies to Kenya shillings using the selling exchange rate on the date of tender closing provided by the Central Bank of Kenya.

b) Deviation in payment schedule

- i. Tenderers shall state their price for the payment on schedule outlined in the special conditions of contract. Tenders will be evaluated on the basis of this base price.

Tenderers are, however, permitted to state an alternative payment schedule and indicate the reduction in tender price they wish to offer for such alternative payment schedule. The procuring entity may consider the alternative payment schedule offered by the selected tenderer.

- 2.23.2 Any effort by a tenderer to influence the procuring entity in its decisions on tender evaluation, tender comparison, or contract award may result in the rejection of the tenderer's tender.

2.24 Post-qualification

- 2.24.1 The procuring entity will verify and determine to its satisfaction whether the tenderer that is selected as having submitted the lowest evaluated responsive tender is qualified to perform the contract satisfactorily.
- 2.24.2 The determination will take into account the tenderer financial and technical capabilities. It will be based upon an examination of the documentary evidence of the tenderers qualifications submitted by the tenderer, pursuant to paragraph 2.11.2, as well as such other information as the procuring entity may deem necessary and appropriate.
- 2.24.3 An affirmative determination will be prerequisite for award of the contract to the tenderer. A negative determination will result in rejection of the tenderers tender, in which event the procuring entity will proceed to the next lowest evaluated tender to make a similar determination of that tenderer's capabilities to perform satisfactorily.

2.25 Award Criteria

- 2.25.1 Subject to paragraph 2.29 the procuring entity will award the contract to the successful tenderer whose tender has been determined to be substantially responsive and qualified to perform the contract satisfactorily.

If the procuring entity determines that none of the tenders is responsive, the procuring entity shall notify each tenderer who submitted a tender.

2.26.2 The procuring entity shall give prompt notice of the termination to the tenderers and on request give reasons for termination within 14 days of receiving the request from any tenderer.

2.26.3 A tenderer who gives false information in the tender document about its qualification or who refuses to enter into a contract after notification of contract award shall be considered for debarment from participating in future public procurement.

2.27 Notification of Award

2.27.1 Prior to the expiration of the period of tender validity, the Procuring entity will notify the successful tenderer in writing that its tender has been accepted.

2.27.2 The notification of award will constitute the formation of the contract subject to the signing of the contract between the tenderer and the procuring entity pursuant to clause 2.29. Simultaneously the unsuccessful tenderers shall be notified that their tenders have been unsuccessful.

2.27.3 Upon the successful tenderer's furnishing of the performance security pursuant to paragraph 2.30 the procuring entity will promptly notify each unsuccessful tenderer and will discharge its tender security, pursuant to paragraph 2.12

2.28 Signing of Contract

2.28.1 At the same time as the procuring entity notifies the successful tenderer that its tender has been accepted, the procuring entity will simultaneously inform the other tenderers that their tenders have not been successful.

2.28.2 Within fourteen (14) days of receipt of the Contract Form, the successful tenderer shall sign and date the contract and return it to the Procuring entity.

2.29.2 Failure by the successful tenderer to comply with the requirement of paragraph 2.28 or paragraph 2.29.1 shall constitute sufficient grounds for the annulment of the award and forfeiture of the tender security, in which event the procuring entity may make the award to the next lowest evaluated tender or call for new tenders.

2.30 Corrupt or Fraudulent Practices

2.30.1 The procuring entity requires that tenderers observe the highest standard of ethics during the procurement process and execution of contracts. A tenderer shall sign a declaration that he has not and will not be involved in corrupt or fraudulent practices.

- 2.30.2 The procuring entity will reject a proposal for award if it determines that the tenderer recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question.
